## ***Horsemanship with Kim Stone, April 24th***

Over the years, Kim Stone has studied with Terry McClare, Robin Stang, Buck Brannaman, Doug Jordan, Jack Brainard, Dave Glacier, and Martin Black.

Stone has acquired a gamut of problem-solving techniques and a refined understanding of the horse-rider relationship.

### **This horsemanship clinic will help you answer these questions:**

*Can you recognize the smallest change in your horse?*

*Do you know how to get out of your horse's way and let him do his job?*

### **What Kim hopes to accomplish with clinic participants:**

- To share and learn where we are with our horses.
- To show how we can help our horses
- To work with what your horse has to offer.
- To make riding a good experience for both horse and rider.

Cost is \$100 if registration is received before April 17. \$110 after April 17. Limit seven horse/rider pairs.

Auditors are welcome. (\$10)
